Governor's Message

It is hard to believe that the Holiday season is upon all of us. First, I would like to wish you and your family a wonderful Holiday. We all have been working so hard with our projects to make our communities a better place. This is the season to reflect on our year and look forward to the upcoming year. Please take a moment and think about all the hearts and individuals that you have touched. Together we have accomplished so much.

Now we focus on the New Year with new ideas, new determination and most of all new friendships that we will make along the way. I want to thank each one of you for what you do not only for your club but for others. Your endless giving unselfishly of yourself is amazing. I am so proud of you!!!!

Our membership is down in 23A, so we must try to ASK ONE to join or visit our clubs so we can try to rebuild our district. As you see friends and family this holiday season, ASK someone to come to your meeting. We must try together to achieve this goal of membership. Our 23A District Team is willing to help should you need our help in achieving your membership goals. Please feel free to let me know.

Our district Holiday Party is Saturday December 6, 2014. This evening of celebration we as Lions will vote on the peace posters for our district. The mid winter is scheduled for Feb. 6-Feb 8. Please remind your club members so they can join in the activities of this weekend. It will be at the Cromwell Plaza in Cromwell, CT

Continue the good works throughout the district and enjoy your projects.
Together we **"STRENGTHEN THE PRIDE"**.

I wish you and your love ones a Merry Christmas and Happy Holiday Season!

Yours in Lionism,
DG KathyLynn Patterson
