

Hello Leo Advisors,

Sorry to see that Summer is coming all to rapidly to a close and school will soon begin.

My Name is Ernie Harrington and I am the new district Leo Chairperson.

In case you didn't know it Leo Advisors have a Logon right at LCI. And that is the first thing I would like to see us do. If you need help with Logon call or email me. And I will get you past that hurdle and even supply you with information that you might need in order to logon. [request 1]

I don't expect that everyone will want to report on MyLCI, but I do think everyone should know what is there. There is much beyond that that you can do, but I do not intend to push anyone beyond what they are comfortable with. We have 16 of 17 Leo clubs registered for the current year. And I have heard about another club that may be in formation.

For those of you who are School Based Leo Clubs, you probably have a Faculty Advisor. Until about two years ago you were able to List them so that they would receive LCI information. There is no longer a way to do that. If you have a Leo Faculty Advisor, would you ask them for permission to share their email address with me, and I will forward them appropriate information about LCI. I estimate 5 or 6 emails this year. [Request 2]

I have last year's Leo activity reports for all of CT and will share these in future.

Please help me to fulfill the requests by September 25, 2017 or sooner.

Ernie Harrington

I have Extracted the Leo Club information from the District Directory and Included it in an attachment.

I am creating a Leo Advisors Locker with a copy of information send on the District WEBSITE Home page, bottom right: <http://www.lions23a.org/>
